Day 4: (BD) FAMOUS NORFOLK ISLAND TUESDAY, 18

Following breakfast we visit the property of the late Colleen McCullough. The world-renowned author of 24 books called Norfolk Island home for almost 36 years, and today we have the opportunity to see into her world. Colleen and husband, Norfolk Islander, Ric Robinson, created a luxurious hideaway and maintained their privacy to ensure that Colleen had the perfect environment for her writing. Her beloved property "Out Yenna" is now open and we are escorted through her magnificent home where we are able to view the couple's priceless collection of artefacts gathered on their travels all over the world. We will see where her books were researched and where she worked into the wee hours creating the incredible tales that have sold in their millions in so many different languages. The remainder of the afternoon will be at our leisure before our evening out at the iconic Progressive Dinner. This is the perfect way to get a taste of the real Norfolk lifestyle. Starting the night off our first stop is at the northern tip of the island at a clifftop home with amazing ocean views to enjoy pre-dinner nibbles. Finishing the evening with main course and dessert at a large family home on the southern side of the island. We will be entertained by our host as they share their island experiences and the historical practices and industries.

Day 5: (BD) FOLK MUSEUM & CONVICTS WEDNESDAY, 19 2025

This afternoon we meet more locals as we join the Farm & Industry Tour to witness their enterprises sustaining the Norfolk Island community. These might include raising meat-producing sheep, market gardening, pig farming, manufacturing soft drinks and liqueurs or exporting of Kentia seedlings. This evening we are taken out to the delightful Island Fish Fry Dinner - a traditional Island Fish Feast with local fish, island dishes, salads and desserts. Overlooking breathtaking coastal scenery as the sun sets - with live music in the background by local entertainment from the Baunti Byuutis dancing group.

Day 7: (BLD) SETTLERS & MARINE LIFE FRIDAY 21

Our immersion into local life continues at the Pitcairn Settlers Village. We'll experience what life was like for Norfolk Island's most recent settlers, the Pitcairners and their descendants at one of the last few remaining original settler's properties. Light refreshments are included during our tour. We enjoy our a light lunch at the resort before our afternoon touring takes us to Emily Bay where we take in the unique Glass Bottom Boat tour. Our guide will share their knowledge of Norfolk's marine life and once we've "walked the plank" with these 'mutineer descendants' it takes a minute to get to the reef. Here we're able to view beautiful coral gardens and tropical fish inside the calm crystal waters of Norfolk's lagoon.
