## Day 3 (BLD): EXPLORING ADELAIDE - Tuesday 29 October 2024

Today we will be spending the day exploring Adelaide. The city's Central Business District is surrounded by Parklands, or the Green Belt as it's known. For an excellent overview of the city and its Parklands we make a stop at *Montefiore Hill*. It was from this spot that Colonel Light planned a great city of the future in the sweeping valley below. Easily seen from the Hill is Adelaide Oval, one of the most beautiful Cricket Ovals in the world. Another landmark close by is St Peters Cathedral, which overlooks the city from North Adelaide. Next, we head to the banks of the Torrens River and board the Popeye cruise for a High Tea Cruise whilst we take in the iconic sights of Adelaide. From here its not far to *The Adelaide Oval*. The redeveloped oval offers a unique blend of new and old - from the latest in stadium design to the famous features such as the heritage listed scoreboard, the century-old Moreton Bay Fig trees and the grassed northern mound. Our tour will take us behind the scenes to the inner workings of this iconic ground. We will see the old score board that is still in use today.

## **Day 4 (BD): THE SOUTH COAST - Wednesday 30 October 2024**

From Adelaide we travel around an hour out of Adelaide to the coastal town of *Victor Harbor*. We take a brief sightseeing tour, then have morning tea at the *Causeway Café* followed by some free time to look through the local shops. Early afternoon we board the *Cockle Train* for the one-way journey along the coast to *Goolwa*. The *Cockle Train* travels along the oldest steel railed railway in Australia dating back to 1854 when it was constructed to provide a link between the *River Murray* and the ocean wharfs at *Pt Elliot* and later at *Victor Harbor*. In early days of settlement the local residents would take a horse drawn train to *Goolwa* to collect *Cockles* from the sandy beaches near the *Murray* mouth. It was a great day's outing and thus gained its name. From *Goolwa* we now head back to *Adelaide*.  
(*Breakfast & Dinner in hotel, lunch at own expense*)

## **Day 5 (BD): FREE DAY - Thursday 31 April 2024**

We have a free day to relax and have a look around *Adelaide*, or the *Glenelg Tram* is easily accessible for anyone wanting to spend the day down at *Glenelg*.

## **Day 6 (BLD): PORT ADELAIDE & THE BAROSSA VALLEY: Friday 01 November 2024**

Today we take a brief sightseeing tour along the suburban *Adelaide* coastline. Late morning, we arrive in *Port Adelaide* and visit the *South Australian Maritime Museum*. The Museum's exhibitions tell stories of *South Australia's* maritime history - from those who lived at sea and on shore, to the dolphins and marine ecosystems that make up our natural environment. Renowned for its innovative approach to maritime history and education, the Museum is located in two 1850s bond stores with three floors of permanent and special exhibitions. Following lunch at the nearby *Lighthouse Wharf Hotel*, we depart *Port Adelaide* along the *Northern Expressway* and head into the *Barossa Valley*. Our first visit is to one of the most iconic *Barossa* wineries - *Seppeltsfield*. On our approach to the winery, the avenue of *Date Palms* lining the entrance gives us the feeling of grandeur, then on our short tour we hear all the history of the *Seppeltsfield* family and how it built into one of *Australia's* largest wineries. We have a tasting of *Tawny Port* and then depart for our final visit for the day at the *Barossa Valley Chocolate Company* before arriving back in *Adelaide*.

## Day 7 (BD): THE ADELAIDE HILLS - Saturday 02 November 2024

This morning, we head to beautiful **Carrick Hill**. Carrick Hill was a creation from the imagination of a man and his wife who decided to bring, to their home city of Adelaide, some of the magic that they had been so captivated by when honeymooning in England. Sir Edward Hayward created a tudor manor house set in almost 100 acres of scenic bushland.

Carrick Hill

*Carrick Hill* was bequeathed to the people of South Australia by Sir Edward and Lady Hayward and is now maintained by the State Government. Following our guided tour, we have morning tea in the onsite café. Our afternoon is spent in the Adelaide Hills, stopping in *Hahndorf* for some free time in the main street. There are numerous cafes, bakeries, restaurants and pubs, with many small gift stores to look at. Before leaving the area, we call into *Beerenberg Strawberry Farm*, fully Australian owned and all products are made at this farm. We will have the opportunity to purchase from their gift range and the large range of delicious preserves. You may not know but Beerenberg products can now be found in 24 countries, on major airlines and in more than 300 hotels! (*Breakfast & Dinner in hotel, lunch at own expense*)

## Day 8 (BL): HEADING HOME: Sunday 03 November 2024

We have an early start this morning and transfer to the Adelaide Interstate Rail Terminal and board the Overland for the return journey to Melbourne. Sit back and relax, breakfast and lunch will be served to our seats and we can enjoy the views from our comfy seats in the Red Premium Service Carriage.
