## Day 2: (BLD) THE OVERLAND TRAIN 12 MAY 2025

Southern Cross Station is the starting point for our short break to Adelaide. There is nothing quite like travelling by rail, and The Overland operates a day-long service running between Melbourne and Adelaide in both directions. Onboard, you'll experience a comfortable journey as you watch the diverse landscapes outside your window, from rugged mallee scrub to fields of green and gold. Our journey passes through country towns including Geelong, Ararat, Horsham, Dimboola, Nhill, Bordertown and Murray Bridge. On arrival at Adelaide's Keswick Interstate Rail Terminal, our local touring coach will meet us for the transfer to our accommodation for the next 6 nights.

Stamford Grand Hotel, Glenelg | 6 nights | 08 8376 1222

## Day 3: (BHTD) EXPLORING ADELAIDE 13 MAY 2025

Today we will be spending the day exploring Adelaide. The city's Central Business District is surrounded by Parklands, or the Green Belt as it's known. For an excellent overview of the city and its Parklands we make a stop at Montefiore Hill. It was from this spot that Colonel Light planned a great city of the future in the sweeping valley below. Easily seen from the Hill is Adelaide Oval, one of the most beautiful Cricket Ovals in the world. Another landmark close by is St Peters Cathedral, which overlooks the city from North Adelaide. Next, we head to the banks of the Torrens River and board the Popeye cruise for a **High Tea**

**Cruise** whilst we take in the iconic sights of Adelaide. From here it's not far to The Adelaide Oval. The redeveloped oval offers a unique blend of new and old - from the latest in stadium design to the famous features such as the heritage listed scoreboard, the century-old Moreton Bay Fig trees and the grassed northern mound. Our tour will take us behind the scenes to the inner workings of this iconic ground. We will see the old score board that is still in use today.

## Day 4: (BD) THE SOUTH COAST 14 MAY 2025

From Glenelg we travel around an hour out of Adelaide to the coastal town of **Victor Harbor**. We take a brief sightseeing tour, then have morning tea at the Causeway Café followed by some free time to look through the local shops. Early afternoon we board the Cockle Train for the one-way journey along the coast to Goolwa. The Cockle Train travels along the oldest steel railed railway in Australia dating back to 1854 when it was constructed to provide a link between the River Murray and the ocean wharfs at Pt Elliot and later at Victor Harbor. In early days of settlement, the local residents would take a horse drawn train to Goolwa to collect Cockles from the sandy beaches near the Murray mouth. It was a great day's outing and thus gained its name. From Goolwa we return to Glenelg via the McLaren Vale wine region.

## Day 5: (BLD) ADELAIDE HILLS & MONARTO SAFARI PARK 15 MAY 2025

Today we visit the **Monarto Safari Park**, the largest open-range safari experience outside of Africa and is home to more than 50 species of exotic and native animals. The zoo plays a major role, nationally and internationally, in breeding programs for rare and endangered species. We'll be joined on board our coach by a qualified guide for a safari tour of the park. After some time to view the exhibits and a poke through the Zoo's gift shop we have lunch and then head to the Adelaide Hills town of Hahndorf. At the Beerenberg Strawberry Farm we will have the opportunity to purchase from their gift range and the large range of delicious preserves and other condiments. You may not know, but Beerenberg products can now be found in 24 countries, on major airlines and in more than 300 hotels! Next, we have a little free time to explore the main street of Hahndorf and look through the small craft and souvenir shops before arriving back in Glenelg.

## Day 6: (BD) MORE OF ADELAIDE 16 MAY 2025

This morning, we will visit one of Adelaide's stunning residential olde world mansions called Carrick Hill. This building was a creation from the imagination of a man and his wife who decided to bring, to their home city of Adelaide, some of the magic that they had been so captivated by when honeymooning in England. Sir Edward Hayward created a Tudor manor house set in almost 100 acres of scenic bushland. Carrick Hill was bequeathed to the people of South Australia by Sir Edward and Lady Hayward and is now maintained by the State Government. Following our guided tour, we morning tea, then return to Glenelg. We have a free afternoon with no plans during the day. The Glenelg Tram is available for anyone who would like to head into the City, or just relax in Glenelg and take a walk along the Glenelg foreshore, or the Glenelg Jetty.

Breakfast and dinner at hotel | Lunch own expense

## Day 7: (BHTD) THE BAROSSA VALLEY 17 MAY 2025

Our touring today takes us to the renowned wine-producing region, the Barossa Valley. We make our way to the iconic **Seppeltsfield Winery, established in 1851**. The history of this winery and its owners is truly fascinating, which we will hear about on our tour after which we enjoy a tasting. Our next stop is the Barossa Chateau. This is a baroque style chateau surrounded by 30,000 roses and filled with one of the world's great collections of Meissen porcelain, antique furniture, tapestries, and paintings. We enjoy a guided tour around the gallery as well as time to wander around the rose garden and look around the great gift shop before an elegant High Tea at the Chateau. Next, we enjoy a wine tasting at Jacobs Creek Visitor Centre, where back in 1847, a young Bavarian immigrant, Johann Gramp, planted the valley's first commercial vineyard on the banks of Jacobs Creek. After a great day exploring the Barossa, we return to Adelaide for dinner at the hotel.
