Welcome to our 6 day Melbourne Cup on the Eyre Peninsula tour! We have an early morning transfer to the Melbourne airport for our flight to Adelaide, where we then board our Regional Express flight for quick trip across to Port Lincoln. Day 2: (BLD) PORT LINCOLN SATURDAY, 01 NOVEMBER 2025

Port Lincoln is located on one of the world's largest protected natural harbours. Boston Bay stretches from the tip of the Port Lincoln National Park to Point Boston and covers an area more than three times the size of Sydney Harbour! We have a local guide join the coach for tour of the area which includes the statute of the mighty Makybe Diva - the only horse ever to win three Melbourne Cups! Farewelling our guide, we make our way to The Fresh Fish Place, Port Lincoln's leading multi-species fish processing factory. See how local fish are filleted and packaged for sale. We may get the chance to see experienced staff opening oysters or scallops (in season) and learn how to fillet the famous King George Whiting. After our tour, we get to sample a variety of tantalising products, followed by lunch here. This afternoon we pay a visit to the Constantia Designer Craftsmen - a truly unique attraction. Testimony to this firm's level of craftsmanship is the unprecedented honours bestowed by the International Guild of Master Craftsmen, Constantia being one of only six firms in the world to be made a fully accredited member. Constantia was commissioned to design and build the Table to the House of Representatives and the Hansard Table, the main tables for the new Parliament House in Canberra. Finishing our day off we spend time at the Boston Bay Winery for a wine tasting. There aren't many wineries in the world with a more spectacular setting. Set on a hill above the shores of Boston Bay, the winery enjoys good soils, a gentle climate, and cooling breezes from the Southern Ocean.

Heading back to Port Lincoln, we have lunch at the Marina Hotel before joining Calypso Star Charters for a 2-hour cruise through Porter, Boston, and Proper Bay, then see the sites of Stanford, Winters hills, Boston Island, The National Park and the City. Day 4: (BLD) THE EYRE PENINSULA MONDAY, 03 NOVEMBER 2025

Today we will be taking a look at several towns north of Port Lincoln on the Eyre Peninsula. Our first stop is in Arno Bay where we can take a walk along the Arno Bay Estuary Boardwalk. The boardwalk is designed to showcase the diverse and pristine beauty of the Arno Bay estuary, winding through dense mangroves, mudflats and samphire with grass habitats over small tributaries alongside the main estuary waterway. Our next visit is to Cowell Jade and Gemstones. Cowell is famous for being home to Australia's only commercial jade mine which produces rare black jade, as well as the more common greens and also some very colourful marble. We have lunch at the Franklin Harbour Hotel, before stopping to take a look at the painted Silo's where the star is local identity Lionel Deer and his camel Diamantina. Mr Deer is most known in the Cowell community for bringing his camels to the Cowell Christmas Pageant for over 30 years. Lionel represents much of what the fabric of Cowell is made of, a true larrikin with a heart of gold. We now start heading back to Port Lincoln and along the way we visit another silo, depicting an interpretation of two boys jumping off the Tumby Bay Jetty. Whilst in town we can take a look at several of the colourful street art Murals that have been painted by many of the same artists that have painted the well-known Silo's throughout Australia.
